EEI BULLETIN

JANUARY/FEBRUARY, 1971

In Two Sections Section II

INDEX

for Volume 38

JANUARY-DECEMBER, 1970

EDISON ELECTRIC INSTITUTE

INDEX TO 1970 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 38

Issue	Pages
January (2 Sections)	1-32
February	33-64
March	65-96
April	97-128
May	129-160
June	161-192
July-August	193-276
September-October	277-324
November-December (2 Sections)	325-380

General Index

A

Accident Prevention Committee Meeting, 316
Accountants Will Meet in Dallas April 20-22, 85
Accounting
  Accountants Will Meet in Dallas April 20-22, 85
  Electronics Seminar in New Orleans to Have Theme: 'EDP—the 70's—Decade of the User,' 283
Accounting Conference
  Regulation, Nuclear Power, Computers Discussed at the Accounting Conference, 150
Accounting Division Committees
  Accounting Division Committees, 333
Accounting Electronics Seminar
  Data Resources of Utilities, High Turnover of EDP People Discussed at Joint Seminar, 36
Advances in Nuclear Fusion Research—H. R. Drew, 116
Advantages of Nuclear Power in Improving the Environment, 78
Air Pollution
  EEI Research Project Seeks Best High Stack to Curb Air Pollution, 182
  Mr. Hill's Observations on Pollution, 249
Mr. Hill's Observations on Pollution, 249
  3600-Mile Clean Air Car Race Features Electrics, Hybrids, Other Vehicles, 284
Allegheny Power Holds Third College Seminar, 172
ANSI Standard
  Voltage Ratings for Electric Power Systems and Equipment (60 Hz)—a New Standard (C84.1-1970) (of the American National Standards Institute, Inc.), 303
Area Development
  Area Development—a New Combination, 289
Area Development Workshop
  Area Development Workshop Scheduled by EEI in Dallas, Texas, Oct. 14-15, 282
Area Development Workshop Scheduled by EEI in Dallas, Texas, Oct. 14-15, 282
Area Development—a New Combination, 289
ASEE
  Engineering Education for Electric Power Discussed at Annual ASEE Meeting, 168
Awards and Medals
  EEI Awards Dr. Kouwenhoven a Citation for Dedication to Life Saving Techniques, 302
  Electric Living Award Certification Program Is Now Available to Utilities Through NEMA, 320
  Five Candidates Announced for The Edison Award, 68
  Mississippi Power Company Wins Edison Award, 205
  Southwestern Electric Power Gets Two 5-Million-Hour Awards for Achievement in Safety, 86
Ayers Heads Campaign on Bonds for Utilities, 121

B

Better Light Better Sight Bureau
  Lighting in the 70's, John L. Sullivan, 90
  What Companies Can Do to Keep Confusion Down When Light Bulbs Get New Packaging—Edward A. Campbell, 300
Biographies of Speakers, 101
Biological Effects of Sulfur Dioxide And Fly Ash, Dr. J. Wesley Clayton, Jr., 222
Booklet Available, 95
Boston—The Convention City for 1970, 70
British Manufacturer's Way with Battery-Electric Vehicles, Berkeley S. Hender, 21
Budgets
  FP&L Budget This Year Quarter Billion Dollars, 121
  Public Service of N. J. to Spend Billion Dollars in Three Years, 121

C

Catfish
  Catfish Farming—All Electrically—Michael Prudhomme, 310
  Experimental Cage Culture of Channel Catfish in the Heated Water Discharge of a Steam Generating Station—John E. Tilton—James F. Kelley, 173
Catfish Farming—All Electrically—Michael Prudhomme, 310
Circuit Breakers
  Practical Circuit Breaker for High-Voltage High-Current D-C Is Goal of Laboratories in Research Program with Support of EEI, 296
Cables
  Superconducting A-C Power Transmission Cables—Dr. Hugh M. Long, 234
Coloring Books Bring Environmental Message, 312
Comfort Conditioning in Housing to Be Emphasized in Heating Show, 37
Committees of the Board
  Committees of the Board of Directors, 327
Con Edison Sees Ample Reserve of Electricity by Summer of '71, 76
Cooling Water Discharge
  Cooling Water Discharge Project—Dr. Loren D. Jensen, 225
Cooling Water Discharge Project—Dr. Loren D. Jensen, 225
'CQ'—Comments and Questions—Newest PP&L Employees Program, 61
Cryogenic Cables For Underground Power Transmission—Gerald R. Fox, 231
Customer Service
  Customer Service Department at Duquesne Light Answered 447,000 Phone Calls in 1969, 304
Customer Service Department at Duquesne Light Answered 447,000 Phone Calls in 1969, 304

D

Data Resources of Utilities, High Turnover of EDP People Discussed at Joint Seminar, 36
D-C Transmission
Laboratory Studies Completed on D-C Transmission Project, 112
Detroit Edison and the Urban Challenge, 105
Displays and Exhibits
Comfort Conditioning in Housing to Be Emphasized in Heating Show, 37
Dresden 2 Nuclear Plant Being Fueled, 46

E

Education
Allegheny Power Holds Third College Seminar, 172
'CQ'—Comments and Questions—Newest PP&L Employee Program, 61
Detroit Edison and the Urban Challenge, 105
Opportunity Training at Southern California Edison Co., 82
Regional Plan for Power Engineering Research at Universities—T. S. Fetter, 58
Student Unrest—What Are the Implications for Business and Industry—Dr. Asa S. Knowles, 260
Third EEI Management Course Graduates 43 Students, 169
EEI Authorized to Expand Research; Environment Program to Be Continued, 6
EEI Convention
Biographies of Speakers, 101
Biological Effects of Sulfur Dioxide And Fly Ash—Dr. J. Wesley Clayton, Jr., 222
Boston—The Convention City for 1970, 70
Cooling Water Discharge Project—Dr. Loren D. Jensen, 225
Cryogenic Cables For Underground Power Transmission—Gerald R. Fox, 231
D. Bruce Mansfield Is Elected President of Edison Electric Institute, 201
EEI Convention to Be Held in Boston, June 1-3; Theme: 'Electric Energy Serves the Seventies', 98
Electric Energy Serves The Seventies—A. H. Aymond, 208
Energy and the Quality of Life—William C. Tallman, 241
Environmental Benefits of Nuclear Power—Dr. Merril Eisenbud, 238
Financing the Electric Utilities in the Seventies—Richard D. Hill, 247
Footsteps on the Moon—Col. Edwin E. Aldrin, Jr., 266
Government and American Business Enterprise—Hon. Rocco C. Siciliano, 257
Mansfield's Acceptance Remarks—American Power Industry Is Called Most Efficient, Reliable in the World, 202
Mississippi Power Company Wins Edison Award, 205
New Members of the EEI Board of Directors, 199
1970 EEI Convention, 194
1970 EEI Convention to Be Held in Boston, 35
Outlook For Tax Reform—Hon. Wilbur D. Mills, 219
Regulation of the Electric Utilities In the 1970's—Hon. John N. Nassikas, 214
Shearon Harris, Elected Vice President, 201
Speakers Selected for EEI Convention in Boston, June 1-3 66
Student Unrest—What Are the Implications for Business and Industry? Dr. Asa S. Knowles, 260
Suicide . . . Or Success?—William B. Shenk, 252
Superconducting A-C Power Transmission Cables—Dr. Hugh M. Long, 234
Zinc-Air Battery System—Dr. Giovanni Caprioglio, 228
EEI Convention to Be Held in Boston, June 1-3; Theme: 'Electric Energy Serves the Seventies', 98
EEI Awards Dr. Kouwenhoven a Citation for Dedication to Life Saving Techniques, 302
EEI Farm Film Wins Eastern Prize in NSSMA Competition, 88
EEI Joins in Sponsorship of Nuclear Fusion in a Research Program at University of Texas, 298
EEI Management Course, 169
Third EEI Management Course Graduates 43 Students, 169
EEI Marketing Calendar, 162
EEI Marketing Conference
Need for Long-Range Marketing Emphasized at EEI Conference, 146
EEI Officers
D. Bruce Mansfield, Is Elected President of Edison Electric Institute, 201
John Thornborrow, Assistant Managing Director of EEI, Retires, Sept. 30; Bozek Elected Treasurer, 299
Shearon Harris, Elected Vice President, 201
EEI Personnel
Young Named Secretary of EEI; Culviner Heads PEIR Division, 8
EEI Publications
Booklet Available, 95
EEI Booklet Printed in Braille, 149
'Electric Gardening,' Available from EEI, 115
'Glossary of Utility Terms' Published by the Institute, 299
Guidebook Available, 120
'Power Survey' Shows Summer Peak for 1969 is 8.0% Over Previous Year, 6
Recent EEI Publications, 24, 63, 95. 115. 187, 319, 376
'Statistical Year Book for '69' Published by EEI, 313
Three-Volume 'Railroad Electrification' Available from the Institute, 167
Two Reports Available on Heated Water, 89
EEI Research Program Seeks to Determine More Efficient, Economical Means to Defrost Outdoor Coils of Heat Pumps, 113
EEI Research Project on Superconductors in Large Synchronous Machines, 140
EEI Research Project Seeks Best High Stack to Curb Air Pollution, 182
EEI Residential Plan Book, 162
EEI Marketing Calendar, 162
EEI Round Table Conference Held in Chicago, Sept. 28-30, 288
EEI Slide Presentation Tells Mobile Home Story, 30
EEI Sponsors Resuscitation Project, 93
Effects of Geomagnetic Storms on Power Systems Supported by the Institute, in Research Project, 294
Electric Energy—a Problem or a Solution?—W. Donham Crawford, 278
Electric Energy Serves the Seventies—A. H. Aymond, 208
'Electric Gardening' Available from EEI, 115
Electric Heat
A President Looks at Electric Heating—N. Gwynne Dodson, 170
Comfort Conditioning in Housing to Be Emphasized in Heating Show, 37
Electric Industry
Electric Energy—a Problem or a Solution? W. Donham Crawford, 278
Electric Energy Serves the Seventies, A. H. Aymond, 208
Electric Utility Industry Establishes Records in 1969, 3
Energy and the Quality of Life, William C. Tallman, 241
Human Side of Energy—Dr. Glenn T. Seaborg, 38
Electric Lighting
Lighting in the 70's—John L. Sullivan, 90
Electric Living Award Certification Program Is Now Available to Utilities Through NEMA, 320
'Electric Power Business'—a Review of the Second Edition, C. A. Tatum, Jr., 286
Electric Research Council
Dr. E. L. Kanouse Elected Chairman of Electric Research Council, 265
Electric Utility Industry Establishes Records in 1969, 3
Electric Vehicle Council Publishes Proceedings of First Symposium, 127
Electric Vehicles
British Manufacturer's Way with Battery-Electric Vehicles—Berkelev S. Hender. 21
Electric Vehicle Council Publishes Proceedings of First Symposium, 127

Electric Vehicles and the Future City—Impact and Opportunities, C. David Loeks, 18
50 Million Americans Interested in Buying a Short-Range Electrical Car Under $2000
3600-Mile Clean Air Car Race Features Electrics, Hybrids, Other Vehicles, 484
Zinc-Air Battery System Progress Is 'Encouraging,' 111
Electric Vehicles and the Future City—Impact and Opportunities, C. David Loeks, 18
Electrical System and Equipment Committee
Electrical System and Equipment Committee Meeting—O. K. Brown 123, 184
'Electrific '70' Is Theme of Marketing Conference, 75
Electronics Seminar
Electronics Seminar in New Orleans to Have Theme: 'EDP—The 70's—Decade of the User', 283
Employee Programs
'CQ'—Comments and Questions Newest PP&L Employee Program, 61
Detroit Edison and the Urban Challenge, 105
Opportunity Training at Southern California Edison Co., 82
Students Are Learning While Earning as Summer Employees of San Diego G&E, 273
Energy and the Quality of Life—William C. Tallman, 241
Engineer of Year
Gould Is Selected 'Engineer of Year,' 95
Engineering Education for Electric Power Discussed at Annual ASEE Meeting, 168
Engineering And Operating Division Committees, 343
Engineering And Operation
Accident Prevention Committee Meeting, 316
Electrical System and Equipment Committee Meeting, 123, 184
Meter and Service Committee Meeting, 318
Prime Movers Committee Meeting, 31. 126. 185
System Planning Committee Meeting, 56, 157
Transmission and Distribution Committee Meeting, 60, 124, 314
Transportation Committee Meeting, 315
Engineering Education
Regional Plan for Power Engineering Research at Universities, T. S. Fetter, 58
Environmental Benefits of Nuclear Power, Dr. Merril Eisenbud, 238
Environmentally Controlled Structures for Poultry Studied in EEI's Project, 178
Environment
Advantages of Nuclear Power in Improving the Environment, 78
Coloring Books Bring Environmental Message, 312
EEI Authorized to Expand Research; Environment Program to Be Continued, 6
Environmental Benefits of Nuclear Power—Dr. Merril Eisenbud, 238
Giving the Land Another Chance, 308
Southern California Edison Land Used for Picnic Areas, Ballparks and Farms, 313
Experimental Cage Culture of Channel Catfish in the Heated Water Discharge of a Steam Generating Station—John E. Tilton—James F. Kelley, 173
Exploring the Moon
Footsteps on the Moon—Col. Edwin E. Aldrin, Jr., 266

F

Farm Better Electrically
EEI Farm Film Wins Eastern Prize in NAAMA Competition, 88
50 Million Americans Interested in Buying a Short-Range Electrical Car Under $2000
50 Percent Expansion of Largest Station Announced by Oklahoma Gas and Electric, 273
Financing
Financing the Electric Utilities in the Seventies—Richard D. Hill, 247
Financing the Electric Utilities in the Seventies, Richard D. Hill, 247
Five Candidates Announced for The Edison Award, 68
Footsteps on the Moon—Col. Edwin E. Aldrin, Jr., 266
14 Who Resuscitated Victims of Shock Awarded EEI Medals, 25
FP&L Budget This Year Quarter Billion Dollars, 121
Fusion
EEI Joins in Sponsorship of Nuclear Fusion in a Research Program at University of Texas, 298

G

General Division Committees
General Division Committees, 350
Generation and Distribution
Bruce Mansfield, Plant to Be Built, 48
Generating Station in Operation, 297
50 Percent Expansion of Largest Station Announced by Oklahoma Gas and Electric, 273
PG&E Uses Nature's Steam to Generate Kw—First Plant of Its Kind in the Nation, 120
Second Unit of Homer City 'Commercial,' 56
Two Locations Under Study for Pumped-Storage Project, 81
Generating Station Equipment
Research Completed on Availability of Generating Station, 133
Geomagnetic Storms
Effects of Geomagnetic Storms on Power Systems Supported by the Institute in Research Project, 294
Geothermal Power
PG&E Uses Nature's Steam to Generate Kw—First Plant of Its Kind in the Nation, 120
Giving the Land Another Chance, 308
'Glossary of Utility Terms' Published by the Institute, 299
Gould Is Selected 'Engineer of Year', 95
Government
Government And American Business Enterprises—Hon. Rocco C. Siciliano, 257
Government And American Business Enterprises—Hon. Rocco C. Siciliano, 257
Growth from Within—Serving Present Industries, C. E. Landrum, 52
Guidebook Available, 120

H

Heat Pumps
Improved Reliability, Performance Object of EEI Heat Pump Project, 27
Research on Residential, Commercial Improvement of Heat Pumps Completed, 143
How Service Was Restored After 'Hurricane Camille', 10
Human Side of Energy—Dr. Glenn T. Seaborg, 38
'Hurricane Camille'
How Service Was Restored After 'Hurricane Camille', 10
Hydraulic Power Committee
Hydraulic Power Committee Meeting—H. R. Daniels, 315

I

Improved Reliability, Performance Object of EEI Heat Pump Project, 27
Industrial Relations
EEI Round Table Conference Held in Chicago, Sept. 28-30, 288
Third EEI Management Course Graduates 43 Students, 169
Industry
Growth from Within—Serving Present Industries, C. E. Landrum, 52
Interconnections
22 Organizations Form SERC in Southeast, 45

K

Dr. E. L. Kanouse, Elected Chairman of Electric Research Council, 265

L

Laboratory Established at MIT to Aid Electric System Research, 89
Laboratory Studies Completed on D-C Transmission Project, 112

Lighting in the 70's—John L. Sullivan, 90
Live Better Electrically
Comfort Conditioning in Housing to Be Emphasized in Heating Show, 37
EEI Slide Presentation Tells Mobile Home Story, 30

M

Bruce Mansfield, Plant to Be Built, 48
D. Bruce Mansfield Is Elected President of Edison Electric Institute, 201
Mansfield's Acceptance Remarks
Mansfield's Acceptance Remarks—American Power Industry Is Called Most Efficient, Reliable in the World, 202
Mansfield's Acceptance Remarks—American Power Industry Is Called Most Efficient, Reliable In The World, 202
Marketing
A President Looks at Electric Heating—N. Gwynne Dodson, 170
Area Development Workshop Scheduled by EEI in Dallas, Texas, Oct. 14-15, 282
EEI Marketing Calendar, 162
Electric Living Award Certification Program Is Now Available to Utilities Through NEMA, 320
Environmentally Controlled Structures for Poultry Studied in EEI's Project, 178
Suicide . . . Or Success?—William B. Shenk, 252
What Companies Can Do to Keep Confusion Down When Light Bulbs Get New Packaging—Edward A. Campbell, 300
Marketing Division Committees, 355
Meter and Service Committee Meeting, 318
Mississippi Power Company Wins Edison Award, 205
Mobile Homes
EEI Slide Presentation Tells Mobile Home Story, 30
Systems Housing: Mobile and Modular—Julia Herron, 49
Movies
EEI Farm Film Wins Eastern Prize in NAAMA Competition, 88

N

National Electrical Week Committee Names Baschnagel as Chairman for '71, 275
Need for Long-Range Marketing Emphasized at EEI Conference, 146
New Members of the EEI Board of Directors, 199
1970 EEI Convention, 194
1970 EEI Convention to Be Held in Boston, 35
Nuclear Energy
Advances in Nuclear Fusion Research—H. R. Drew, 116
Advantages of Nuclear Power in Improving the Environment, 78
Dresden 2 Nuclear Plant Being Fueled, 46
EEI Joins in Sponsorship of Nuclear Fusion in a Research Program at University of Texas, 298
Environmental Benefits of Nuclear Power—Dr. Merril Eisenbud, 238
Human Side of Energy—Dr. Glenn T. Seaborg, 38
Nuclear Information Center Is Opened Near Platteville, by PSC of Colorado, 275
Plutonium Studies with Westinghouse, GE, 43
Progress Report on Reactor Vessel Testing, Inspection, 135
Public Service of N. J. Applies for A-Permit, 95
Stores Problems in Nuclear Age Emphasized at EEI P&S Meeting, 154
Nuclear Information Center Is Opened Near Platteville by PSC of Colorado, 275

O

One Jump Ahead—Walter T. Lucking, 14
Officers, Board of Directors, Committees and Committee Personnel of EEI, Section II, November-December issue
Opportunity Training at Southern California Edison Co., 82
Outlook for Tax Reform—Hon. Wilbur D. Mills, 219

P

Packaging
What Companies Can Do to Keep Confusion Down When Light Bulbs Get New Packaging—Edward A. Campbell, 300
PG&E Uses Nature's Steam to Generate Kw—First Plant of Its Kind in the Nation, 120
Plants
Bruce Mansfield Plant to Be Built, 48
Second Unit of Homer City 'Commercial', 56
Plutonium
Plutonium Studies with Westinghouse, GE, 43
Plutonium Studies with Westinghouse, GE, 43
Poultry
Environmentally Controlled Structures for Poultry Studied in EEI's Project, 178
Power in Progress
Progress in Power, 122, 187, 378
Power Crisis
'Sheer Nonsense', Aymond Declares to Suggestions of a Power Crisis, 7
Power Reserve
Con Edison Sees Ample Reserves of Electricity by Summer of '71, 76
Power Survey
'Power Survey' Shows Summer Peak for 1969 Is 8.0% Over Previous Year, 6
'Power Survey' Shows Summer Peak for 1969 Is 8.0% Over Previous Year, 6
Power Systems Coordination Division Committees, 367
Power System Security
Research Program to Improve Operational, Control Methods for Power System Security, 44
Practical Circuit Breaker for High-voltage, High-Current D-C Is Goal of Laboratories in Research Program with Support of EEI, 296
President Looks at Electric Heating—N. Gwynne Dodson, 170
Prime Movers Committee Meeting, 31, 126, 185
Progress In Power
Progress In Power, 122, 187, 378
Progress Report on Reactor Vessel Testing Inspection, 135
Public, Employee and Investor Relations Division Committees, 369
Public Service of N. J. Applies for A-Permit, 95
Public Service of N. J. to Spend Billion Dollars in Three Years, 121
Publications
'The Electric Power Business'—A Review of the Second Edition—C. A. Tatum, Jr., 286
Pumped-Storage
Two Locations Under Study for Pumped-Storage Project, 81
Pumps
EEI Research Program Seeks to Determine More Efficient, Economical Means to Defrost Outdoor Coils of Heat Pumps, 113
Purchasing and Stores
Stores Problems in Nuclear Age Emphasized at EEI P&S Meeting, 154

R

Railroad Electrification
Three-Volume 'Railroad Electrification' Available from the Institute, 167
Recent EEI Publications, 24, 63, 95, 115, 187, 319, 376
Regional Plan for Power Engineering Research at Universities—T. S. Fetter, 58
Regulation
Regulation of the Electric Utilities in the 1970's—Hon. John N. Nassikas, 214
Regulation, Nuclear Power, Computers Discussed at the Accounting Conference, 150
Regulation of the Electric Utilities in the 1970's—Hon. John N. Nassikas, 214
Con Edison Sees Ample Reserves of Electricity by Summer of '71, 76
Second Unit of Homer City 'Commercial,' 56
Report on UHV Transmission Research Project of Institute During Its Third Year of Operation, 130
Research And Development
Advances in Nuclear Fusion Research—H. R. Drew, 116

Biological Effects of Sulfur Dioxide and Fly Ash—Dr. J. Wesley Clayton, Jr., 222
Cooling Water Discharge Project—Dr. Loren D. Jensen, 225
Cryogenic Cables For Underground Power Transmission—Gerald R. Fox, 231
EEI Authorized to Expand Research; Environment Program to Be Continued, 6
EEI Research Program Seeks to Determine More Efficient, Economical Means to Defrost Outdoor Coils of Heat Pumps, 113
EEI Research Project on Superconductors in Large Synchronous Machines, 140
EEI Research Project Seeks Best High Stack to Curb Air Pollution, 182
EEI Sponsors Resuscitation Project, 93
Effects of Geomagnetic Storms on Power Systems Supported by the Institute in Research Project, 294
Experimental Cage Culture of Channel Catfish in the Heated Water Discharge of a Steam Generating Station—John E. Tilton—James F. Kelley, 173
Improved Reliability, Performance Object of EEI Heat Pump Project, 27
Laboratory Established at MIT to Aid Electric System Research, 89
Laboratory Studies Completed on D-C Transmission Project, 112
Plutonium Studies with Westinghouse, GE, 43
Practical Circuit Breaker for High-Voltage, High-Current D-C Is Goal of Laboratories in Research Program with Support of EEI, 296
Progress Report on Reactor Vessel Testing Inspection, 135
Research Completed on Availability of Generating Station Equipment, 133
Research on Residential, Commercial Improvement of Heat Pumps Completed, 143
Research Program to Improve Operational, Control Methods for Power Systems Security, 44
Summary of EEI Reports That Have Been Issued on Cooling Water Discharge, 108
Superconducting A-C Power Transmission Cables—Dr. Hugh M. Long, 234
Synthetic Polymeric Paper Tested for Insulation for Underground Transmission, 180
$35 Million May Be Spent by ERC, Others in a Research Program on Underground Transmission, 290
Report on UHV Transmission Research Project of Institute During Its Third Year of Operation, 130
Zinc-Air Battery System—Dr. Giovanni Caprioglio, 228
Zinc-Air Battery System Progress Is 'Encouraging,' 111
Research Completed on Availability of Generating Station Equipment, 133
Research Division Committees, 372
Research on Residential, Commercial Improvement of Heat Pumps Completed, 143
Research Program to Improve Operational, Control Methods for Power System Security, 44
Resuscitation
EEI Sponsors Resuscitation Project, 93
Round Table Conference
EEI Round Table Conference Held In Chicago, Sept. 28-30

S

Safety Awards And Medals
14 Who Resuscitated Victims of Shock Awarded EEI Medals, 25
Southwestern Electric Power Gets Two 5-Million-Hour Awards for Achievement in Safety, 86
Second Unit of Homer City, 'Commercial,' 56
Security Analyst
'Sheer Nonsense,' Aymond Declares to Suggestions of a Power Crisis, 7
Shearon Harris Elected Vice President, 201
Southern California Edison Land Used for Picnic Areas, Ballparks and Farms, 313
Southwestern Electric Power Gets Two 5-Million-Hour Awards for Achievement in Safety, 86
Speakers Selected for EEI Convention in Boston, June 1-3, 66
Statement of Ownership, 320
'Statistical Year Book for '69' Published by EEI, 313
Stores
Stores Problems in Nuclear Age Emphasized at EEI P&S Meeting, 154
Student Unrest—What are the Implications for Business and Industry?—Dr. Asa S. Knowles, 260
Students Are Learning While Earning as Summer Employees of San Diego G&E, 273
Suicide . . Or Success?—William B. Shenk, 252
Sulfur Dioxide
Biological Effects of Sulfur Dioxide and Fly Ash—Dr. J. Wesley Clayton, Jr., 222
Summary of EEI Reports That Have Been Issued on Cooling Water Discharge, 108
Superconducting A-C Power Transmission Cables—Dr. Hugh M. Long, 234
Superconductors
EEI Research Project on Superconductors in Large Synchronous Machines, 140
Synthetic Polymeric Paper Tested for Insulation for Underground Transmission. 180
System Planning Committee Meeting, 56, 157, 317
Systems Housing: Mobile and Modular—Julia Herron, 49

T

Taxes
Outlook For Tax Reform—Hon. Wilbur D. Mills, 219
Third EEI Management Course Graduates 43 Students, 169
$35 Million May Be Spent by ERC, Others in a Research Program on Underground Transmission, 290
3600-Mile Clean Air Car Race Features Electrics, Hybrids, Other Vehicles, 284
John Thornborrow, Assistant Managing Director of EEI, Retires Sept. 20; Bozek Elected Treasurer, 299
Three-Volume 'Railroad Electrification' Available from the Institute, 167
Transmission and Distribution Committee Meeting, 60, 124, 314
Transportation Committee Meeting, 315
Two Locations Under Study for Pumped Storage Project, 81
Two Reports Available on Heated Water, 89
22 Organizations Form SERC in Southeast, 45

U

UHV Transmission
Transmission Research Project Its Third Year of Operation, 131
Underground Transmission
Cryogenic Cables for Underground Power Transmission—Gerald R. Fox, 231
Synthetic Polymeric Paper Tested for Insulation for Underground Transmission, 180
$35 Million May Be Spent by ERC, Others in a Research Program on Underground Transmission, 290
U. S. Savings Bonds
Ayers Heads Campaign on Bonds for Utilities, 121

V

Voltage Ratings for Electric Power Systems and Equipment (60 Hz)—a new Standard (84.1-1970) (of the American National Standards Institute, Inc.), 303

W

What Companies Can Do to Keep Confusion Down When Light Bulbs Get New Packaging—Edward A. Campbell, 300
Women's Conference
Women's Conference Emphasizes the Industry and the Customer, 47
Women's Conference Emphasizes the Industry and the Customer, 47

Y

Year-End Statement
Electric Utility Industry Establishes Records in 1969, 3
Young Named Secretary of EEI; Culviner Heads PEIR Division, 8

Z

Zinc-Air Battery System—Dr. Giovanni Caprioglio, 228
Zinc-Air Battery System Progress Is 'Encouraging', 111

Authors' Index

A

Aldrin, Jr., Col. Edwin E.
Footsteps on the Moon, 266
Aymond, A. H.
Electric Energy Serves the Seventies, 208

C

Campbell, Edward A.
What Companies Can Do to Keep Confusion Down When Light Bulbs Get New Packaging, 300
Caprioglio, Dr. Giovanni
The Zinc-Air Battery System, 228
Clayton Jr., Dr. Wesley J.
Biological Effects of Sulfur Dioxide and Fly Ash, 222
Crawford, W. Donham
Electric Energy—A Problem or a Solution?, 278

D

Dodson, Gwynne N.
A President Looks at Electric Heating, 170
Drew, H. R.
Advances in Nuclear Fusion Research, 116

F

Fetter, T. S.
A Regional Plan for Power Engineering Research at Universities, 58
Fox, Gerald R.
Cryogenic Cables for Underground Power Transmission, 231

H

Hender, Berkeley S.
A British Manufacturer's Way with Battery-Electric Vehicles, 21
Herron, Julia
Systems Housing: Mobile and Modular, 49
Hill, Richard D.
Financing the Electric Utilities in the Seventies, 247

J

Jensen, Dr. Loren D.
Cooling Water Discharge Project, 225

K

Kelley, James F.
Experimental Cage Culture of Channel Catfish in the Heated Water Discharge of a Steam Generating Station, 173
Knowles, Dr. Asa S.
Student Unrest—What Are the Implications for Business and Industry?, 260

L

Landrum, C. E.
Growth from Within—Serving Present Industries, 52
Loeks, David C.
Electric Vehicles and the Future City, 18
Long, Dr. Hugh M.
Superconducting A-C Power Transmission Cables, 234
Lucking, Walter T.
One Jump Ahead, 14
Lynch, Allen A.
Area Development—a New Combination, 289

M

INDEX TO 1971 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 39

Issue	Pages
January/February (2 Sections)	1-48
March/April	49-96
May/June	97-132
July/August	133-208
September/October	209-256
November/December (2 Sections)	257-308

General Index

A

Accident Prevention Committee Meeting, 36, 247

Accounting
- Utility Accountants Meet in Cincinnati; Theme: 'Savings, Simplification and Service,' 69
- Peterson Named EEI Director of Accounting, 44
- Softy Retiring from Institute; Was Director of Accounting, 74

Accounting Conference
- Regulation, Growth Rate, Effects of Inflation on Equity Capital, Systems Development Discussed at Accounting Conference, 116

Accounting Division Committees
- Accounting Division Committees, 265

Advancing the Quality of Life Through Electric Service—D. Bruce Mansfield, 150

American Power Conference Emphasizes Need for More Efficient Power Generation, 84

Area Development Workshop Scheduled for Oct. 26-28, 254

Awards and Medals
- Central P & L, Con Edison, Florida Power Corp. Are Nominated for The Edison Award in 1971, 55
- Central Power and Light Company Wins The Edison Award, 148
- Kennedy, EEI Past President, Wins the James H. McGraw Utility Medal, 64
- 1971 NAIEC Award for Educational Material Presented to Consumers Power Co., 91
- Three Companies Are Given 3-Million Man-Hour Awards for Safety; SCE Safety Division Is Safe 25 Years, 122

B

Bennion, H. S., Col.
- A Tribute to Colonel H. S. Bennion—A. B. Morgan, 103
- Colonel H. S. Bennion Dies, 75

Biographies of Convention Speakers, 54

C

Carolina Power & Light Co. Names Nuclear Plant for Shearon Harris, 101

Central P & L, Con Edison, Florida Power Corp. Are Nominated for The Edison Award in 1971, 55

Central Power and Light Company Wins The Edison Award, 148

Circuit Breakers
- ERC Members Inspect R&D Facilities for HVDC Circuit Breaker System, 129

Cleveland—EEI's Convention City for 1971, 57

Colonel H. S. Bennion Dies, 75

Committees of the Board of Directors, 259

Commonwealth Edison's Computer Was First of Its Kind in Chicago; Machine Now in Third Generation, 30

Computers
- Commonwealth Edison's Computer Was First of Its Kind in Chicago; Machine Now in Third Generation, 30

Con Edison Names Exec VP for Environmental Affairs, 89

Cooling Water Studies
- Report No. 6 of Cooling Water Studies Available from EEI, 41

Criticality of Electric R&D, The—Shearon Harris, 210

E

Economics
- The Economic Outlook—William F. Butler, 169

EEI
- Institute Incorporated; Mansfield, Harris and Crawford in Top Posts, 18
- Institute Plans Move to Larger Quarters to Serve the Member Companies Better, 85

EEI Announces Committee Activities for 1971-1972, 258

EEI Convention
- Advancing the Quality of Life Through Electric Service—D. Bruce Mansfield, 150
- Biographies of Convention Speakers, 54
- Central P & L, Con Edison, Florida Power Corp. Are Nominated for The Edison Award in 1971, 55
- Central Power and Light Company Wins The Edison Award, 148
- Cleveland—EEI's Convention City for 1971, 57
- Economic Outlook, The—William F. Butler, 169
- EEI Convention to Be Held in Cleveland, June 7-9, 50
- Electric Power—Sinner or Savior?—John W. Simpson, 161
- Frank M. Warren Elected Vice Chairman, 141
- Harris' Acceptance Remarks—Lifting Industry Perspective in Research and Development Called Primary Mission, 142

Importance of Being Honest, The—Miss Patricia Carbine, 195
Industry and AEC to Move Forward on LMFBR Demonstration Plant Program, 146
Intensified R&D—a Time for Decision—Thomas G. Ayers, 157
Mansfield Cites Role of Electric Energy in Solving Environmental Problems, 144
Mansfield Statement on Nixon's Energy Program, 145
New Members of the EEI Board of Directors, 138
1971 Convention Will Be Held in Cleveland, Ohio, June 7-9; Theme of Meeting Is Selected, 9
1971 EEI Convention, 135
Pollution and the World—Fuel Choices in the 21st Century—Professor Carroll L. Wilson, 179
Power Supply and Environment in Great Britain—Sir Stanley Brown, C.B.E., 185
Reflections on Current Disorders—William F. Buckley, Jr., 199
Regulatory Responsibilities—Hon. John A. Carver, Jr., 176
Research, Environment and Electric Energy—Dr. Edward E. David, Jr., 192
Shearon Harris Is Elected Chairman of Edison Electric Institute, 141
Utility Financing in Today's Capital Markets—Paul Hallingby, Jr., 171

EEI Convention to Be Held in Cleveland, June 7-9, 50

EEI Contributes $250,000 to "Project Threshold," 240

EEI Officers
Frank M. Warren Elected Vice Chairman
Institute Incorporated; Mansfield, Harris and Crawford in Top Posts, 18
Shearon Harris Is Elected Chairman of Edison Electric Institute

EEI Personnel
A Tribute to Colonel H. S. Bennion—A. B. Morgan, 103
Colonel H. S. Bennion Dies, 75
Elsaesser Named Assistant Director of Research, 129
Peterson Named EEI Director of Accounting, 44
Softy Retiring from Institute; Was Director of Accounting, 74

EEI Plans Fourth Graduate Management Course in Hershey, Pa., in March, April, and May, 35

EEI Publications
'Equipment Availability Report for 60-69' Published by the Institute, 11
Handbook Available on Residential Wiring, 68
1971 EEI Catalogue Lists Publications, 88
Report No. 6 of Cooling Water Studies Available from EEI, 41
Reserve Margin of 18.3 Percent for Summer of 1971 Estimated by EEI 'Power Survey,' 104
'Statistical Year Book for '70' Published by EEI, 241
Survey of Environmental Studies on Water Problems Published by EEI, 115

EEI Research Program Adds Five New Projects and Additional Funding of Six Others, 130

EEI Research Project Tests Cryogenic Cable for Underground Transmission, 106

EEI Sponsoring or Supporting 53 Research Projects, 41

EEI Women's Conference, With the Theme, 'Electricity on the Move,' Held in Chicago, 87

Electrical System and Equipment Committee Meeting, 38

Electric Industry
Advancing the Quality of Life Through Electric Service—D. Bruce Mansfield, 150
Electric Industry Sets 1970 Records in Generation, Capacity, Sales, Revenues, 4
Electric Power—Sinner or Savior?—John W. Simpson, 161
Energy Alternatives—Now and in the Future—Earl Ewald, 61
Mansfield Testifies on Siting of Bulk Power Facilities Before House Subcommittee, 102
Power Reserves, Fuel Supply, Plant Siting, Rates, Research, Environment and Marketing Discussed by EEI's Mansfield and Crawford, 2
Today in the Electric Power Industry—W. Donham Crawford, 216
Will We Be Late for the Future?—Charles F. Avila, 226

Electric Industry Sets 1970 Records in Generation, Capacity, Sales, Revenues, 4

Electric Power—Sinner or Savior?—John W. Simpson, 161

Electric Research Council
ERC Members Inspect R&D Facilities for HVDC Circuit Breaker System, 129
ERC Program Carries Out Extensive Research on Underground Transmission, 234
ERC Publishes Report on R&D Goals Through the Year 2000, 246
1971 "Survey of Research" Published by ERC, 306

Electric Transportation—Now and in the Future—H. J. Young, 76

Electric Vehicles
Electric Transportation—Now and in the Future—H. J. Young, 76
Electric Vehicles in Industry Growing by 9.5 Percent a Year, Joint Study Shows, 11
Second Electric Vehicle Symposium to Be Held in Atlantic City, November 8-10, 245

Electric Vehicles in Industry Growing by 9.5 Percent a Year, Joint Study Shows, 11

Electronics Seminar
Kleespies, Keller, Simmons, Donohue Address Annual Electronics Seminar, 32

$11.6 Million to Be Spent by Otter Tail in 1971, 89

Elsaesser Named Assistant Director of Research, 129

Energy Alternatives—Now and in the Future—Earl Ewald, 61

Engineering and Operating Division Committees, 275

Environment
Environmental Strait Jacket, The—William C. Tallman, 20
Nuclear Energy: Are the Environmental Hazards Real or Fancied?—Hon. Craig Hosmer, 98
Pacific Power & Light Donates Part of Hellgate Canyon to Wild and Scenic Rivers System, 232
Research, Environment and Electric Energy—Dr. Edward E. David, Jr., 192
Survey of Environmental Studies on Water Problems Published by EEI, 115

Environmental Strait Jacket, The—William C. Tallman, 20

'Equipment Availability Report for 60-69' Published by the Institute, 11

ERC Members Inspect R&D Facilities for HVDC Circuit Breaker System, 129

ERC Program Carries Out Extensive Research on Underground Transmission, 234

ERC Publishes Report on R&D Goals Through the Year 2000, 246

Experimental Study of Ventilation in Electric Commercial Kitchens, 112

F

50 Percent Efficiency Seen for MHD Plants if Some Engineering Problems Are Resolved, 41

Final Report Completed of Research on Bulk Power System Security, 113

Final Report on Heat Pump Improvement Now Available from EEI, 104

Financing
Utility Financing in Today's Capital Markets—Paul Hallingby, Jr., 171

Fourth Annual EEI Management Course Graduates 34 Utility Executives, 105

Frank M. Warren Elected Vice Chairman, 141

Future, The
Shaping the Future—Through Science and Technology —Dr. Glenn T. Seaborg, 65
Will We Be Late for the Future?—Charles F. Avila, 226

G

Gas Dielectric Cable Insulation
Progress Report on Gas Dielectric Cable Insulation Research Project, 238
General Division Committees, 282
Generation
American Power Conference Emphasizes Need for More Efficient Power Generation, 84
Generation Gap, The—Fact or Fiction?—Dr. Eugene J. Koprowski, 27
Graduate Management Course
EEI Plans Fourth Graduate Management Course in Hershey, Pa., in March, April, and May, 35
Great Britain
Power Supply and Environment in Great Britain—Sir Stanley Brown, C.B.E., 185

H

Handbook Available on Residential Wiring, 68
Heat Pump
Final Report on Heat Pump Improvement Now Available from EEI, 104
High-Rise Roosts—H. G. Kothmann, 242
Hydraulic Power Committee Meeting, 248

I

Importance of Being Honest, The—Miss Patricia Carbine, 195
Industrial Relations
Round Table Conference Emphasizes 'New Generation—Changing Work Force,' 24
24th Annual EEI Round Table Conference Held in Chicago, September 27-29, 220
Industry and AEC to Move Forward on LMFBR Demonstration Plant Program, 146
Information Systems
Public Utility Information Systems Conference Scheduled for San Francisco, November 10-12, 215
Institute Incorporated; Mansfield, Harris and Crawford in Top Posts, 18
Institute Plans Move to Larger Quarters to Serve the Member Companies Better, 85
Institute Will Hold Marketing Conference in Capital, March 1-3, 7
Intensified R&D—a Time for Decision—Thomas G. Ayers, 157
Investor-Owned Utilities Pledge $206 Million Toward LMFBR Demonstration Plant, 241
Iowa Power and Iowa-Illinois G&E to Consolidate, 7

K

Kennedy, EEI Past President, Wins the James H. McGraw Utility Medal, 64
Kleespies, Keller, Simmons, Donohue Address Annual Electronics Seminar, 32

L

Largest Nuclear Plant in Nation Goes into Operation, 94
Lifting Industry Perspective in Research and Development Called Primary Mission, 142
Live Better Electrically
LBE Ad Program for 1971 to Give Support to Local Marketing Efforts as It Focuses on 'Load Balancing' Electric Home Heating, 15
LMFBR Demonstration Plant
Industry and AEC to Move Forward on LMFBR Demonstration Plant Program, 146
Investor-Owned Utilities Pledge $206 Million Toward LMFBR Demonstration Plant, 241

M

Management Course
Fourth Annual EEI Management Course Graduates 34 Utility Executives, 105
Mansfield Cites Role of Electric Energy in Solving Environmental Problems, 144
Mansfield Statement on Nixon's Energy Program, 145
Mansfield Testifies on Siting of Bulk Power Facilities Before House Subcommittee, 102
Marketing
Institute Will Hold Marketing Conference in Capital, March 1-3, 7
LBE Ad Program for 1971 to Give Support to Local Marketing Efforts as It Focuses on 'Load Balancing' Electric Home Heating, 15
'Marketing Leads the Way' Is Theme of EEI's 1971 Marketing Conference, 70
Residential Plan Book Emphasizes a Better Quality of Living, 221
Marketing Division Committees, 288
'Marketing Leads the Way' Is Theme of EEI's 1971 Marketing Conference, 70
McGraw Utility Medal
Kennedy, EEI Past President, Wins the James H. McGraw Utility Medal, 64
Meter and Service Committee Meeting, 37, 126
MHD
50 Percent Efficiency Seen for MHD Plants if Some Engineering Problems Are Resolved, 41
Mississippi P&L Names its 750,000-Kw Plant, 89
Mobile Lidar System Used for Measurement of Stack Plume Opacity, 110

N

NAIEC Award
1971 NAIEC Award for Educational Material Presented to Consumers Power Co., 91
National Electrical Week to Be Celebrated February 6-12, 306
New Members of the EEI Board of Directors, 138
$9 Million Program to Halt Soot, Fly Ash, 89
1971 Convention Will Be Held in Cleveland, Ohio, June 7-9; Theme of Meeting Is Selected, 9
1971 EEI Catalogue Lists Publications, 88
1971 EEI Convention, 135
1971 NAIEC Award for Educational Material Presented to Consumers Power Co., 91
1971 "Survey of Research" Published by ERC, 306
1970 Summer Peak Climbed to 275.3 Million Kw, 'Power Survey' Shows, 19
Nuclear Energy: Are the Environmental Hazards Real or Fancied?—Hon. Craig Hosmer, 98
Nuclear Energy
Carolina Power & Light Co. Names Nuclear Plant for Shearon Harris, 101
Largest Nuclear Plant in Nation Goes into Operation, 94
$1.9 Million Pledged to Continue Operation of Fermi Nuclear Plant, 246
Nuclear Energy: Are the Environmental Hazards Real or Fancied?—Hon. Craig Hosmer, 98

O

Officers, Board of Directors, Committees and Committee Personnel of EEI, Section II, November/December Issue

$1.9 Million Pledged to Continue Operation of Fermi Nuclear Plant, 246

P

Pacific Power & Light Donates Part of Hellgate Canyon to Wild and Scenic Rivers System, 232

Pennsylvania P&L Operates the Shortest Railroad in the World; It Started in 1925, 124

People in Power, 42, 92, 250

Peterson Named EEI Director of Accounting, 44

Plutonium Utilization in the High-Temperature, Gas-Cooled Reactor, 82

Pollution and the World—Fuel Choices in the 21st Century—Professor Carroll L. Wilson, 179

Power Reserves, Fuel Supply, Plant Siting, Rates, Research, Environment and Marketing Discussed by EEI's Mansfield and Crawford, 2

Power Supply and Environment in Great Britain—Sir Stanley Brown, C.B.E., 185

Power Survey
- 1970 Summer Peak Climbed to 275.3 Million Kw, 'Power Survey' Shows, 19
- Reserve Margin of 18.3 Percent for Summer of 1971 Estimated by EEI 'Power Survey,' 104

Power Systems Coordination Division Committees, 298

Progress in Power, 89

Progress Report on Gas Dielectric Cable Insulation Research Project, 238

"Project Threshold"
- EEI Contributes $250,000 to "Project Threshold," 240

Public, Employee and Investor Relations Division Committees, 300

Public Utility Information Systems Conference Scheduled for San Francisco, November 10-12, 215

Purchasing and Stores
- Purchasing and Stores Committee Meeting Set in New Orleans, May 10-12, 91
- Storeroom Planning by Computer Discussed at EEI P&S Meeting, 119

Purchasing and Stores Committee Meeting Set in New Orleans, May 10-12, 91

Q

Quality of Life
- Advancing the Quality of Life Through Electric Service—D. Bruce Mansfield, 150

R

Railroads
- Pennsylvania P & L Operates the Shortest Railroad in the World; It Started in 1925, 124

Recent EEI Publications, 34

Reflections on Current Disorders—William F. Buckley, Jr., 199

Regulation
- Regulatory Responsibilities—Hon. John A. Carver, Jr., 176

Regulation, Growth Rate, Effects of Inflation on Equity Capital, Systems Development Discussed at Accounting Conference, 116

Regulatory Responsibilities—Hon. John A. Carver, Jr., 176

Report No. 6 of Cooling Water Studies Available from EEI, 41

Research and Development
- Criticality of Electric R&D, The—Shearon Harris, 210
- EEI Contributes $250,000 to "Project Threshold," 240
- EEI Research Program Adds Fve New Projects and Additional Funding of Six Others, 130
- EEI Research Project Tests Cryogenic Cable for Underground Transmission, 106
- EEI Sponsoring or Supporting 53 Research Projects, 41
- ERC Members Inspect R&D Facilities for HVDC Circuit Breaker System, 129
- ERC Publishes Report on R&D Goals Through the Year 2000, 246
- Experimental Study of Ventilation in Electric Commercial Kitchens, 112
- 50 Percent Efficiency Seen for MHD Plants if Some Engineering Problems Are Resolved, 41
- Final Report Completed of Research on Bulk Power System Security, 113
- Intensified R&D—a Time for Decision—Thomas G. Ayers, 157
